The Financial Aid Office has received the results of your 2022-2023 Free Application for Federal Student Aid (FAFSA) indicating that you have an unusual enrollment history. Unusual Enrollment history is defined as receiving federal aid funds at multiple institutions during these enrollment periods (2018-2019, 2019-2020, 2020-2021, and 2021-2022). Such an enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment pattern. To be considered for financial aid you must complete and submit information about your enrollment records for each institution attended.
